

SAFELANE FIRE TRUCK DRIVER TRAINING

Additional Services- Updated 02/19/2019

A detailed list of additional services and fees that can be requested, incurred, or completed that is not included in the original contract. Our additional services list is in addition to your standard DZ Licence course of one in classroom session, two in truck lessons, and one road testing date.

Truck Inspection Day 9 AM- 5 PM \$199 (4-person maximum)

Detailed all day truck inspection. Students are given an opportunity to perform daily air brake checks, interior inspection (in cab check) and complete coverage of all exterior parts. Includes full coverage of schedule 1 with practical hands on vehicle inspection. Instructor will demonstrate the operation of a full road course drive including parking and baking procedure.

Training- In-Truck/Classroom or Combination \$90/hr. with a 2-hour minimum

Any student(s) at any time can request additional training outside of the DZ Licence course as a one on one or group instruction. Additional training may be booked by an individual as a "catch up" or for better understanding.

In-Truck Training Day 9 AM- 5 PM \$270 per person (full day)

For students who may want an extra day in the truck, upon completion of the DZ Licence course, prior to taking the road test.

One on One Truck Lesson \$99

Students may opt out of full day training and in lieu they will get a one on one lesson for 3 hrs vs. the allotted full day as part of the course.

Individual Road Test \$99

Students wishing to do their road test on an individual basis vs. a group as per the course.

2nd Attempt Drive Test \$270

Any additional services requested shall be paid in full prior to commencement.
