

# SAFELANE FIRE TRUCK DRIVER TRAINING

---

## **Additional Services/Fees Policy**– updated March 5, 2020.

Our additional services/fees list clearly defines the cost for services that can be requested, attended, incurred, or completed that are not included in the original DZ Course of one day in class, two days in truck and use of truck for one road test. Additional fees are subject to HST.

**Truck Inspection Day**- 9 AM- 5 PM \$199

This is a new one-day course offered in 2020. It is designed to help the student to further prepare for in truck training. A detailed in depth look at all parts of truck inspection of both trucks inside our bays. Students are given an opportunity to perform a daily air brake check, interior inspection (in cab check) and complete coverage of all exterior parts. Includes full coverage of schedule 1 with practical hands on vehicle inspection. Instructor will demonstrate the operation of a full road course drive including parking and backing procedure. Maximum 5 students/day. See website "Courses" tab for more info.

**Extra In-Truck Training- By the hour- Custom Booked** \$90/hr.

Any student at any time can request additional training outside of the DZ Licence course as one on one instruction. Additional training may be booked as a "catch up", for better understanding, to work on areas that need improvement or just extra experience. Extra training can be attended any time after the classroom session up to the road-testing date (before in truck lesson one, between in truck lesson one and two or after second in truck lesson). There is a 2-hour minimum on extra training.

**Extra In-Truck Training Full Day**- 9 AM- 5 PM \$270

For students wishing to take an extra in truck lesson day. You get two in truck lessons with your course. If you wish to add a third in truck training day, this would be an extra day of regular in truck training. Cost is per person for the full day. Like regular in truck training, there will be 3 other students with you that day. This day can be taken any time based on availability.

**One on One In-Truck Lesson- Surcharge** \$99

Students may opt out of a full group day of in truck training, (offered in course) in lieu they will get a one on one lesson for 3 hours. This surcharge will apply.

**Individual Road Test- Surcharge** \$99

Students wishing to do their road test on an individual basis instead of the regular group booked day, as per the course. This option gives the student more flexibility in road testing dates and times. It also allows the student to book extra in-truck training just prior to the road test for warm up.

**Re-Booking of Road Test with Drive Test** \$90

**Road Test Cancelled 20 plus days with new date booked** \$90

**In-Truck Lesson Cancelled less than 5 Days** \$100

**Road Test Missed or cancelled within 20 days** \$180

**Use of Truck for Road Test**- second attempt \$180

**Insufficient Funds/Declined Card** \$35

**Any additional services requested shall be paid in full prior to commencement.**
